

- **33 Kingfish recorded in July 2018 while 692 Kingfish were recorded in July 2017. To date, 128 were recorded and for the same period in 2017, there were 1501 recorded.**
- **There were no Bluefish recorded in July. To date, 6 have been recorded and for the same period in 2017, there were 25. The good news is that August and September of 2017 showed 217 so maybe we might expect some action.**
- **There were two Flounders recorded. An 11" by Tim Moore and a 10" by Ysan Reischke.**
- **There were 2 short Stripers recorded. A 25" Striper by Jason Colella and a 24" Striper by Bob Dever.**
- **59 Different Fishermen recorded catches thru July 2018. 52 Members and 7 Guests make up the catch.**
